**OUR MISSION**

The purpose of Webb Street School is to provide a safe and caring environment that will provide a foundation for lifelong learning.

Each student will have the opportunity to experience success with relevant, individualized learning experiences that occur in meaningful settings. We will seek to include family members and appropriate community members in providing relevant educational experiences for students in appropriate community settings.

## SCHOOL NEWS

### Thank You South Point High School Carpentry

Thank you to Doug Kiser's South Point High School carpentry class that has rebuilt and built new beds for our garden and field. The

rebuilt beds are replacing some of the older beds we have been using and they have made

them more accessible as well. They have also built four new beds that are placed in the field to allow us to add some more produce options in the future.

### Jodie's Counseling Corner

My name is Mrs. Jodie Smetak and I am the school counselor here at Webb Street School. I want you to know that during this time you are not alone and that I am available to address concerns or questions. I will be providing frequent information and resources that I hope you will find helpful. I will be available during the hours of 8am-4pm, or other times as needed. I can be reached via [email](#), which I will be checking regularly. I have also included a [Counselor Referral Form](#), which once submitted goes immediately to my email.

Welcome to the School Counselor's Corner

### We Are All In This together

Stay safe and healthy! If you need to pick up printed material for your student that your teacher prepared there is a filing cabinet in front of the school on M, W, F 9-12 and T, Th, 1-4.

## PTO Corner

We hope you are all safe and healthy. We know these are challenging times but we will all get through them together. Please know that if you need help we are here to support families and staff alike. You are able to reach us by sending an email to [webbstreetschoolpto@gmail.com](mailto:webbstreetschoolpto@gmail.com).

We are very excited to finally reveal the new water bottle filling stations that were installed at school. There are two stations that were installed, one at the front of the building by the gym and one toward the back by the cafeteria. These stations will help

keep the school staff and students healthy and make it easier to refill water bottles.

We are thinking of the future so if you would like to get involved in helping plan for next year please contact us. If you have questions please contact the PTO at [webbstreetschoolpto@gmail.com](mailto:webbstreetschoolpto@gmail.com).

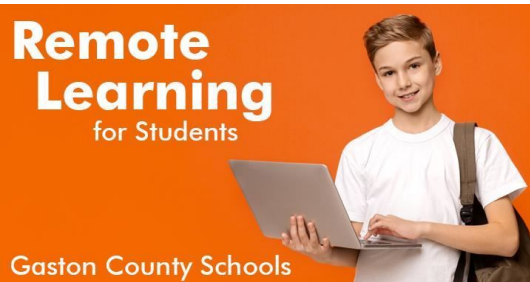

## GCS Resources

### 'Grab and Go' Meal Program

Gaston County Schools

If you watch closely you will see our very own Valerie Robbins.

### APRIL UNIQUE

**Elementary -- Earning Money (Economics)** - Explorers money, why people need it and how people earn it.

**Middle School -- I can Earn Money (Economics)**- Looks at income and banking services.

**High School -- All in a Day's Work (Economics)**- Investigates the relationship among income, work skills, attitudes and opportunities.

**Transition -- Work it! (Employability)** - Investigates work skills including teamwork and following directions.

### WE ARE STILL GROWING
