Holiday Concerts

There is no better way to get into the “festive spirit” than to attend a Holiday Concert. Hunter Huss’s very own Band, Dance & Theatre Programs, and Chorus will be performing next week the 12th-14th. Come out and bring your families to a fabulous display of the performing arts.

Construction Service Projects

Carpentry classes and Coach Wallace have been busy this fall with several community service projects. In addition to rebuilding the lockers in the Gym locker room and adding new tables to the press box, they built beautiful sets for a local church's Christmas Program.

Hunter Huss Student Earned Industry Credentials

Hunter Huss is pleased to announce that it took 1st place in Gaston County last year in student industry credentials earned. Hunter Huss students earned 753 industry credentials in OSHA, Microsoft, Nurse-Aid, CPR, First Aid, ServSafe and many more. These credentials will give students a competitive advantage when they enter the job market. Great Job, Huskies!

Swim Team Results

A "shout out" to Matthew Fender for qualifying for the NCHSAA 3A Regional Swim meet in the 200 Free. The swim team has worked really hard this fall and many relay teams are on the brink of qualification times. More results will be announced after the Christmas break. Congratulations Huskie Swim Team!

WorkKeys and ACT Testing

Select Seniors and All Juniors will be taking WorkKeys and ACT Testing in February 2017. Don't wait to prepare. There are currently ACT practice sessions being offered after school on Monday afternoons. Please see Mr. Dermott or Ms. VanTull for more information. WorkKeys sessions will be held starting in December. Students can practice at home using www.keytrain.com. Please see Ms. Willis for your login information. Information for both tests are available at www.act.org.
