Welcome to the Jungle!

Come out to the Mount Holly Middle School Band Petting Zoo, where you can meet and get the chance to try out all of the WILD instruments that we play!

Out here in the Band Jungle you may find a flute, a clarinet, a trumpet, a French horn, a trombone, a baritone, or even bigger and deeper than a baritone a TUBA!

- If students are interested in saxophone, they should look into renting a clarinet in the beginning of their 6th grade school year and auditioning mid school year to switch to saxophone.
- If students are interested in percussion, they should pick and rent any of the previously mentioned instruments and again plan on auditioning into percussion mid-6th grade year.
- If there is concern for affording an instrument, there are options for you as well.

If you are interested in riding along this wild Band Safari, then come out to the Mount Holly Middle School Petting Zoo on any of the following dates: Thursday, May 9th, Monday May 20th, or Tuesday May 21st from 6pm - 7pm. **You may attend one or more than one event if you so choose.**

Any person that attends the Petting Zoo Events, is not obligated to take band in middle school. If you are not sure whether band is right for you, we encourage you to come out anyways to help you make that decision.

See you in the wild, Mate!!

GO HAWKS!
