Dear Prospective Chorus Parents,

It is that time of year when we are getting ready to start beginning singers in our chorus program for the upcoming 2019-2020 school year. A famous quote states, “Talk with me and we are friends. Sing with me and we are family.” Your child has an important decision to make about his/her future musical career at MHMS. This is not just a choice about chorus and singing, but rather a choice based on which group of people will become the peers and friends of your child.

Your child has already expressed an interest in becoming a part of the Mt. Holly Middle School chorus family for the 2019-2020 school year. During an orientation meeting today, your child heard a program presented by the MHMS 8th grade chorus students. Your child observed and listened to our presentation and at that time made a decision about whether or not they were interested in joining our choral program here at Mt. Holly Middle School.

I am proud to inform you that the 6th, 7th and 8th grade choirs from Mt. Holly Middle School have a history of receiving superior ratings at various festivals. Not only do the chorus students at MHMS learn how to sing and make music, they also have a lot of fun during this learning process! Please feel free to attend our annual Spring Chorus Concert on Thursday, May 7th at 7:00 p.m. in the Mt. Holly Middle School auditorium where all grade levels will be featured. Admission to the concert is free!

There will be a sign up sheet going out to your student's teacher soon. If your student is interested in signing up for chorus, please fill out that form and return it to that teacher. If you have any questions, please feel free to contact me at abcarpenter@gaston.k12.nc.us. I am looking forward to working with your student next year!

Musically yours,

Amy Carpenter
