

COLLEGE NOW PLATFORMS

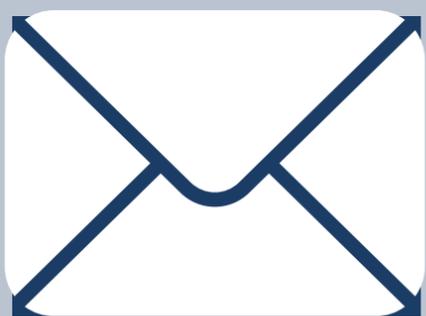

What do they do?

BLACKBOARD

Blackboard is where courses are housed and is similar to Canvas.

Courses are not available in Blackboard until the first day of class.

Login help can be [found here](#).

OUTLOOK (EMAIL)

Outlook is the email portal and part of Microsoft 365.

Student email addresses are in @mymail.gaston.edu format.

Instructors use @mymail accounts to contact students.

Login help can be [found here](#)

WATERMARK

Watermark can be used to view alerts, communicate with instructors and advisors and view your CCP pathways.

SELF-SERVICE

In Self-Service you can view your schedule, pay fees, request a transcript and apply for graduation.
