

# Meet the Counselor

# Miss Setzer

## About Me

My name is Miranda Setzer, and this is my first year as a Costner Cougar and my fourth as a school counselor. Born and raised in Cleveland County. Education and assisting others have always had a special place in my heart.

I love my role as a school counselor as it allows me to assist students beyond academics. Elementary is the overall foundation for every child's future.

It brings me joy in helping students discover coping skills and setting goals for who they want to become.
