Counselor Message

Wow, it’s hard to believe it is March already! It’s going to be another great month at Hawks Nest!

In February, the school counseling program continued with classroom guidance lessons, small group counseling and individual meetings with students. In classroom guidance, students have participated in social emotional lessons on topics like Mood & Attitudes, Positive Thinking and Mindfulness. Student Council members participated in a service opportunity, preparing ribbon for pillowcase dresses. I’m super proud of their leadership!

We are looking forward to Career Day in April. The students always have a great time learning about college and careers.

Please let us know how the school counseling program at Hawks Nest can serve you.
