## Aquaponics System Ribbon Cutting

Join us on Monday, 1/29 at 10 am for the ribbon cutting and thanking the Glenn Foundation for the grant that made it possible. We will be able to see our students in action harvesting the lettuce and caring for the fish.

## The Dirt on Dirt

Transition students had the opportunity to learn what makes up dirt with Erin Lineberger, Environmental Educator from Gaston Natural Resources

Department. The students learned what 4 components are needed to make dirt and which dirt is good to grow plants. They enjoyed going around the school grounds

checking what type of dirt we have around campus.

## PTO Corner

The fashion show is only 5 weeks away, Saturday, March 3rd. Last year each homeroom class created an auction basket for the show. Please check in with your homeroom teacher and see if they need items or help putting together the basket. Last year the auction raised over \$1000.

We do need help to get sponsors for the show. Let us know if you need a sponsorship packet.

## Thank You!

Webb Street School received a \$5000 donation made possible through an honorary grant to Tindol Ford Subaru Roush by the David Pyle Foundation.
