OUR MISSION

The purpose of Webb Street School is to provide a safe and caring environment that will provide a foundation for lifelong learning.

Each student will have the opportunity to experience success with relevant, individualized learning experiences that occur in meaningful settings. We will seek to include family members and appropriate community members in providing relevant educational experiences for students in appropriate community settings.

Do The Right Thing

Congratulations to Summer Kirby for being chosen as the high school student in March for "Do the Right Thing."

Name of Student: Summer Kirby
 Parent/Guardian: Eddie & Melissa Kirby
 School: Webb Street School
 Nominated By: Ms. Miller, science teacher
 Ms. Miller writes: Summer consistently does the right thing. She has been quite helpful with another student in class that has challenges. Summer is cheerful and always willing to help with anything or anyone. She then takes the initiative to assist when help is needed without having to be asked. Summer is in the 12th grade in Ms. Eccles homeroom class. We are very proud of her.
