## OUR MISSION

The purpose of Webb Street School is to provide a safe and caring environment that will provide a foundation for lifelong learning.

Each student will have the opportunity to experience success with relevant, individualized learning experiences that occur in meaningful settings. We will seek to include family members and appropriate community members in providing relevant educational experiences for students in appropriate community settings.

## SCHOOL NEWS

### Congratulations Class of 2018!

It has been an amazing 2017-18 school year. The 2018 class will forever be remembered as the class of entrepreneurs. They have worked hard in all school based enterprises, growing lettuce in the aquaponics system, plants in the greenhouse and sensory garden, and making Webb Waggers. As the graduation speaker, Pastor Matt

Morris of Christ United Methodist Church told the graduates "Somewhere someone is telling graduates to be a star, but I'm telling you guys that you already are!" Graduation was filled with love, pride and laughter. We will miss this class of 2018 but know they will continue shining bright.

## Inclusive Accessible Playground

The new school playground will be built over the summer. We can't wait to see the students enjoy it once the new school year begins!

## MORE EXCITEMENT AROUND THE WEBB

Enjoy a restful summer, although if you want to keep learning over the summer consider one of these opportunities.

### Learn all About Aquaponics

Learn how the aquaponics system at Webb Street School works by joining us for a hands on experience on Mondays all summer long. Use the [link](#) to sign up for a Monday of your choice.

### Gastonia's Farmers Market

Webb Street School has been selling their lettuce at a booth at the Gastonia's Farmers Market on Tuesday and Thursdays. Stop by the farmers market and pick up some fresh organically grown lettuce even when school is out. You might even see some of our students working the booth over the summer.

### Summer Garden

The summer garden at Webb Street has been planted. We would love to share the produce that is

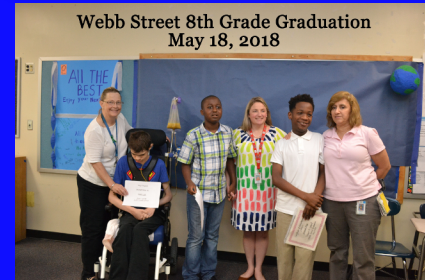

produces. Stop by school on Mondays or Thursdays and pick some fresh produce, help weed the garden and water the plants. In return you may keep the produce that you pick. Use the [link](#) to let us know you are coming by.

### PTO Corner

Thank you for another great year! Planning for next year has already begun. Save the date for the PTO BBQ on Thursday, October 11, 2018 that will raise money for a "Milo" robot that is an educational tool for children with autism. The PTO will sell 2000 BBQ tickets so save the date and start talking it up. Here is a short video about Milo. If you can help with the BBQ please email us at [Webbstreetschoolpto@gmail.com](mailto:Webbstreetschoolpto@gmail.com). We need a committee to help organize for the event and volunteers that can prepare the BBQ plates.

## END OF YEAR

***Have a great summer!!***  
***First day of school 2018-19***  
***Monday, August 27, 2018***
