We were the recipient of a Glenn Foundation Grant for \$30,000 to complete our Aquaponics growing system in our greenhouse and we are thrilled to have this opportunity. Also I would like to welcome Ms. Courtney Williams into her new role as Assistant Principal at Webb Street. Please collect and send in your Box Tops for Education we have a chance to raise easy funds for our

school through this program. We will continue to use the Unique learning System to deliver the content standards for our students. We still continue to have music therapy, weekly art, music and physical education available for all of our students. Please plan on stopping by our informational fair Webb Street 101 on Parent Conference day October 12.
