GRADUATION CEREMONY

Save the Date!

What?

2016 Graduation
Ceremony

When?

Wednesday, June 8 at
12:00pm in the school
gymnasium

Eight graduates will receive a Certificate of Attendance at the ceremony. Sheriff Alan Cloninger will be our guest speaker and our Webb Street Chorus will perform a special song.

Reminder:

Students not participating in the graduation ceremony will be dismissed at 11:00am from school!

SCHOOL'S OUT FOR THE SUMMER (ALMOST)!

The 2015-2016 school year is coming to an end and the staff at Webb Street want to thank our parents and friends of the school for all the support you have shown. This has been a year full of excitement and new opportunities for our students. We have watched the students learn new skills and excel with the Unique Learning Systems curriculum. We hope everyone has a safe and restful summer and is ready to start back to school in August!

SENIOR LUNCHEON

Our seniors enjoyed a luncheon at Olio's Restaurant on Wednesday with the Gastonia Civitan Club. We appreciate the ongoing support of the Civitan's Club!

RETIREMENT

Congratulations to Mrs. Janet Janda as she wraps up her 20th year of teaching. We thank her for her service to Webb Street School the last 5 years. Mrs. Janda served as an EC elementary teacher at Woodhill before coming to Webb Street. We hope you will enjoy your retirement and come back to visit the Webb soon!

Attention Parents! Do you want your child to be engaged this summer and have fun learning? Please check out this FREE resource from Unique Learning Systems/News 2 You! Follow the link to register for access to the Unique Curriculum and News 2 You newspaper all summer long! The free summer unit will cover the 2016 Summer Olympic Games! Don't miss out on this great opportunity.

GRANT RECIPIENT

This week our transition team teachers were awarded with a \$2,000 grant from the Ron L. Ensley Teacher Grant. This grant money will be used to purchase equipment for the Webb Street Coffee Shop. Our transition team started a coffee shop this year to provide our students an opportunity to work in a school based vocational enterprise. With funding from this grant, students will be able to expand the coffee shop and learn new valuable work skills. We are truly linking learning to life!
