- Upcoming field trips
- School activities
- Guidance Advisory Counsel

Staff Spotlight-Jason Richbourg

Jason is our Instructional Assistant of the month. This is Jason's second year here at Webb Street and the students love him! Jason grew up in the Gastonia area, graduating from Bessemer City High School. He then attended Lenoir Rhyne University and Wartburg Seminary. Jason's hobbies include video games, walking his dog, and eating Japanese.

School Activities

Our Annual Valentine's Day Dance will be this Friday. The students are looking forward to a great time of listening to music with their friends and dancing. The Ashbrook High School Junior Civitans and Civinettes will be here to decorate, assist, and also join in the fun.

The School Improvement Team will meet Thursday after school.

Field Trips

We are very busy this week with field trips. Ms. Deal's class enjoyed lunch and a tour at CiCi's Pizza Monday. Mrs. Low's students can't wait to visit the Gastonia Police Department today. Ms. Shields' class will visit the Schiele Museum and Mrs. Isabel's students are going to the Mount Holly Library. Mrs. Donoghue's class will have fun at Chuck E. Cheese on Thursday.

"It takes 20 years to build a reputation and five minutes to ruin it. If you think about that, you will do things differently."

-Warren Buffett

Guidance Advisory Counsel Meeting

Mr. Blackmon will host the Guidance Advisory Counsel Meeting this afternoon here at Webb Street School. The Counsel consists of several parents and staff members. At the meeting, the Counsel will discuss the Parent Surveys and begin planning the Parent Information Session scheduled for March.

Robotics Team

The Belmont Central Robotics Team came to Webb Street yesterday to visit with Mrs. Besser and Mrs. Hartsoe's students. The Team demonstrated their robot and played soccer with our students. They also shared tips and lessons about being fit and active and living a healthy lifestyle. The Robotics Team donated sports equipment to Webb Street School for everyone to enjoy!
