Terri Springer is our Teacher of the Month for March. She has been a Teacher here at Webb for 11 years and was previously a teacher with Holy Angels. Terri grew up in the Belmont area, graduated from South Point High School, and then attended East Carolina University. She has earned her National Boards and recently graduated from Gardner Webb with a Masters in Executive Leadership. Terri enjoys spending time with her son, Christian, dancing and riding motorcycles.

Field Trips

Tomorrow Ms. Shields and Ms. Fishman's classes will visit Daniel Stowe Botanical Garden. Ms. Donoghue's students are really excited about eating lunch at Chuck E. Cheese tomorrow as this trip was cancelled in February due to snow. Several of our classes will attend the "Keep Gastonia Beautiful" Arbor Day Celebration at Martha Rivers Park on Friday.

"You are only as strong as you allow yourself to be; never get discouraged, never give up because consistency and dedication is the key to success."

Pasta for Pennies

Pasta for Pennies is a nationwide fundraiser to help people who are sick with blood cancers like leukemia and lymphoma. Students will have been supplied with a coin box to collect money and bring it back to school. The fundraiser will started Wednesday, March 4th and will end Tuesday, March 17th. The classroom who raises the most money will win a free lunch at Olive Garden. Let's come together to help others in our community!

Over The Counter Medicine Program

Join NC MedAssist for an Over The Counter medicine give away day in Gaston County! At the Department of Social Services on Tuesday, March 31st, NC MedAssist will give away band-aids, pain and allergy medications, vitamins and children's medicines. This event will be in the auditorium between 9 am and 2 pm. All medicine is FREE and donated by Second Harvest Food Bank of Metrolina.

Special Olympics Basketball

Congratulations to the Gaston County Special Olympics 5-on-5 team for winning a gold medal in their division last Saturday! The team is coached by our very own Joey Westmoreland and David Bolden. Current student, Marques Lovett, and former students Derek Nivens, Desmond Logan, Travis Lowery, and Michael Sutton helped earn the well-deserved medal. Way to go guys!
