TAKE A PEEK AT UNIQUE FAMILY FUN NIGHT

Don't forget to RSVP to attend Webb Street's Unique Family Fun Night. Come out February 18 from 5:30-7:30 to enjoy a free hot dog dinner and learn more about the Unique Learning System our school has implemented this year! Let your child's teacher know if you plan to attend.

Supervision will be provided for children during the Unique parent information session. We look forward to seeing your family there!

Congratulations to our Spider Students of the Month for January!

Skylar M. - Elementary School

Dontavious W. - Middle School

Evan P. - High School

Mitch T. - Transition

Congratulations to Webb Street's New Teacher of the Year, Ms. Erin Wallace. This is Erin's first year at Webb Street and she teaches an elementary class for students with autism. Way to go Erin!

LEARNING WITH CHROMEBOOKS

Students love using our new Chromebooks with the Unique Learning System. Classes are able to check out chromebooks each day to supplement lessons. Pictured below are students in Ms. Bridges' classroom participating in a math lesson and Mr. Getty's classroom reading an online story in the Unique library.

Valentine's Dance for Middle & High School Students

FEBRUARY 15

Make-up Snow Day for students

FEBRUARY 18

Family Fun Night "Take a Peek at Unique"

CANDY GRAM SALE

The Transition team students (Donoghue, Miller, & Elliott) will be selling Candy Grams for Valentine's Day! This is a great opportunity for our students to send a Valentine to one of their friends. Parents can also send a candy gram to their student. The candy grams cost 25 cents each. We will have a variety of candies, popcorn, and other treats. They will be sold from February 3rd - February 11th and will be handed out on February 12th.
