TAKE A PEEK AT UNIQUE FAMILY NIGHT

Do you want to learn more about the new Unique Learning System our school has implemented this year? Would you like to have a chance to socialize and meet other parents? Please **SAVE THE DATE** for a Family Fun Night on Thursday, February 18 from 5:30-7pm. Come learn about the exciting new curriculum we have implemented while enjoying a free meal! Webb Street will provide a hot dog supper and activities for the students to do while the parents learn more about Unique Learning Systems. Teachers will be available to answer questions about the curriculum and parents can learn more about how to help their student with what they are learning at home. Dinner will be served from 5:30-6 and the parent information session will begin **PROMPTLY** at 6:00 in the library. Students will be supervised in the gym during the parent information session. Please **RSVP** to our Family Fun Night event by Tuesday, February 16.

CANDY GRAM SALE

The Transition team students (Donoghue, Miller, & Elliott) will be selling Candy Grams for Valentine's Day! This is a great opportunity for our students to send a Valentine to one of their friends. Parents can also send a candy gram to their student. We will be selling the candy grams for 25 cents each. We will have a variety of candies, popcorn, and other treats. They will be sold from February 3rd - February 11th and will be handed out on February 12th.
