Word Around the Webb Weekly Newsletter

FEELIN' GROOVY PROM

The prom is THIS FRIDAY at Olio's (formally known as Rodi)! All students ages 16 & up can attend this special event.

Parents are welcome to come to the gym between 8-9am to get pictures of their student and friends. The Promenade through the hallways of the school will begin at 9:20am. Students will then load the school bus to Olio's and Senior students will take a limo there.

If possible, please have your student eat breakfast before coming to school.

Students will return to school by 1:30pm.

We can't wait to get our boogie shoes on Friday!

SENIOR AWARDS

We are so proud of our Seniors for being recognized for the following awards:

Christian Moreno Standfield - Star Student Award. Christian chose Ms. Sara Williams as his Star Teacher recipient.

Carol Moss - Student Achievement Award from the Gastonia City Council

Connected, yes we are!

As this school year winds down to the final days I find myself reflecting on our year. As we started this school year our theme was "We are all Connected, Linking Learning to Life." Little did I know just how that theme would be embraced and celebrated throughout this year. We got connected with the Unique Learning System that has improved instruction in all of our classrooms. We hosted two family specific events; Webb Street 101 in the fall and Family Fun Night in the spring to build connections within our community. What a great connection we made by hosting our First Annual "Night of Connected Fashion" with Heartfelt Fashion of Charlotte, NC. This event was wildly successful and cemented the connection of our PTO and our staff. A great connection has formed with four faith based partners; Connections Church in Belmont, Christ United Methodist Church, Covenant Methodist Church and Myrtle Methodist Church all of Gastonia. Their support has provided and is still providing for many of our needs at Webb Street. We formed connections with Ashbrook High School, Gaston Early College, and The Highland School of Technology, as connections formed between their students and ours we truly represent the motto of, "We are Gaston County Schools." In all of these amazing connections we have all learned. We have improved the lives of the many people who have come through our doors simply by being who we are and sharing the great work happening at Webb Street every day. So I say, "Thank you" to all who have helped in any way to show our students learning and life are all connected and so are we! So celebrate this year and look forward to the next one. It will be bigger and better!

Peace and love,

Ms. Howe
