

# WORD AROUND THE WEBB

## Webb Street Weekly Newsletter

### Staff Spotlight-Erin Wallace

#### In this issue:

- Staff Spotlight
- Upcoming field trips
- School activities
- Special Olympics

Erin Wallace is our student teacher in Ms. Miller's class. She is a student at UNCC and is pursuing her degree in Adaptive Education. Erin also works full-time as the Manager at the Chic-fil-a in Belmont. She became the youngest Manager two years ago at nineteen years old! Erin is engaged to be married next month. We are very glad to have Erin here at Webb Street School!

### School Activities

The students had a great time playing basketball with the Gaston County Sheriff's Department Friday and of course, Webb Street won!

The Robotics Team from Belmont Middle will visit Ms. Hartsoe and Ms. Besser's class Monday. The team will perform an activity with the students involving robotics and soccer.

### Field Trips

This week, Ms. Springer's class, Ms. Donoghue's class, and Mr. Elliott's class are taking a field trip to the bowling alley. On Friday, our Senior Class will ride the city bus to learn about public transportation and our community. Ms. Miller and Ms. Williams' class will visit Chic-fil-a in Belmont. The students will enjoy a tour and a free lunch courtesy of Chic-fil-a.

*"If we are ever to enjoy life, now is the time-not tomorrow or next year. The best preparation for a better life is a full, complete, harmonious, joyous life now."*

*-Thomas Drier*

### Special Olympics

The Spring Special Olympic Games are May 1, 2015 at North Gaston High School. The deadline for Physical Forms is April 14th and Special Olympics will not accept any after this date. Please send all Physical forms to school as soon as possible. Check your student's Tuesday folder for more information.

### WOW (Webb of Wonderful)

Congratulations to Ms. Fishman and Jason Richbourg! Ms. Fishman is our February Teacher of the Month and Jason is our February Instructional Assistant of the Month. Thank you for everything you do for our students!
