WORD AROUND THE WEBB

Webb Street Weekly Newsletter

Staff Spotlight–Kathy McEwan

Kathy McEwan has held several positions in her 13 years here at Webb Street School. She has been an Instructional Assistant, Bus Driver, CBVT Assistant, and is currently our Behavior Specialist. Kathy was born in Long Island, New York and also lived in Maryland. She's lived in North Carolina for 16 years. Kathy's been married to her husband, Craig, for sixteen years and they have 3 children and a daughter-in-law. Kathy's hobbies include spending time with her family, gardening, and watching soccer.

In this issue:

- Staff Spotlight
- Field Trips
- Special Olympics
- KidSenses
- Opportunity Awaits

Field Trips

Tomorrow, Ms. Bridges, Ms. Ulep, and Ms. Neal's students will visit the Regal Cinemas at Franklin Square to see the Disney's Monkey Kingdom movie. Ms. Williams' class will assist the staff at the Habitat for Humanity store with sweeping, straightening items, and other chores. The students from Ms. Tate-Williams' class will practice their shopping skills at Franklin Square tomorrow.

"Discipline...the one thing necessary to achieve any goal worth having."

Gaston County Special Olympics

The Gaston County Special Olympics Spring Games will be held this Friday, May 1st, at North Gaston High School in Dallas. Our students have been practicing for the Games and are looking forward to bringing back several ribbons.

KidSenses Program

The KidSenses Children's Interactive Museum from Rutherfordton, NC will visit Webb Street today. The Museum will bring the Science on the Move portable Explorer Dome planetarium. The planetarium is inflatable and will be set-up in the gym. Our elementary students and middle school students will visit the planetarium this morning. Students will view the planets and learn about our solar system.

Opportunity Awaits

The Senior Class will visit Opportunity Awaits tomorrow morning. This is an agency owned and operated by Dr. Sadler and his son, Trey. The agency offers a day program for students after graduation and teaches the students many skills to further their education. Students learn vocational skills, life skills, and also, social skills and computer skills.
