CODE OF CONDUCT**

**GASTON COUNTY SCHOOLS
2020-2021**

STUDENT CODE OF CONDUCT

The basic purpose of the Student Code of Conduct for schools is to help establish and maintain a safe and orderly environment, which must prevail if learning is to take place. The term “school” as it applies to these guidelines refers to all school buildings, parking areas and properties. These rules are in effect at any function or school sponsored activity and while students are waiting for, riding or leaving the bus. These rules apply to any student whose conduct at any time or place has a direct and immediate effect on maintaining order and discipline in the schools. (See policy 4300 for complete policy)

Principals are authorized to establish individual school rules and regulations, in addition to the rules listed below. School administrators have the responsibility to notify law enforcement officers of certain violations of state or federal laws and to call law enforcement officers to assist in the maintenance of order.

It is the intention of The Gaston County Board of Education to enforce these rules fairly, firmly, without discrimination because of race or sex, and with due respect for the constitutional rights of every student. The Student Code of Conduct is the short form of The Gaston County Board of Education’s policy on student control and conduct, suspension and expulsions which is set forth in the Policy Manual of The Gaston County Board of Education. The Policy Manual may be viewed online at www.gaston.k12.nc.us

Searches and Seizures *(See policy 4306 and 4318 for complete policy)*

To maintain order and discipline in the schools and to protect the safety and welfare of students and school personnel, school authorities may search a student, student lockers, desks, motor vehicles or other school property, and may seize any evidence discovered in the search whereby a student has violated a State law or the policy and/or rules of The Gaston County Board of Education and/or the school attended by the student. Student lockers, desks etc. are school property and may be searched at any time.

A student's wireless communication device and its contents, including, but not limited to, text messages and digital photos, may be searched whenever a school official has reason to believe the search will provide evidence that the student has violated or is violating a law, board policy, the Code of Student Conduct or a school rule.

Random Metal Detection/Automobile Searches

Students may be required to submit to a screening for metal as a condition of entering or continuing attendance at school.

Students are permitted to park on school premises as a matter of privilege, not of right. The school retains the authority to conduct routine patrols of student parking lots and inspection of the exteriors of student automobiles on school property. The interiors of student vehicles may be searched whenever a school authority has reasonable suspicion to believe that illegal or unauthorized materials are contained inside. Such patrols and searches may be conducted without notice, without student consent and without a search warrant.

In addition, random searches of automobiles may be conducted to deter the possession of contraband such as weapons, guns, knives, illegal drugs and alcohol on school property or parking lots owned or leased by the school.

If a search yields evidence that a student has violated a state law or the policy and/or rules of The Gaston County Board of Education and/or the school attended by the student, such evidence shall be seized by school officials and turned over to proper authorities for ultimate disposition.

Recommended Use of Police Canines on School Property

The principal or his/her designee may request a law enforcement agency to use a police canine whenever he/she feels there is reasonable suspicion to conduct a search on school property.

- The principal may honor the request of the sheriff or chief of police to use police canines if the principal feels the request is based on reasonable suspicion.
- The principal may allow police canines to be used anywhere on the school campus, including unoccupied classrooms, athletic facilities and vehicles.

The student's conduct need not result in the filing of criminal charges and need not have taken place on school premises or at a school activity in order for expulsion to be considered.

Depending on the circumstances-including the age and maturity of the student, the student's intention in committing the offense and the student's record of conduct – the following conduct may result in expulsion:

Use of Videotape Recorders on School Buses

It is the practice of the Gaston County Schools to utilize videotape recorders on school buses. Utilization of such videotape recorders shall be for the purposes of identifying safety concerns and to substantiate bus conduct violations.

Such videotape recordings may be periodically and regularly reviewed by school officials, are considered confidential, but may be disclosed as part of school disciplinary proceedings or safety programs.

ATTENDANCE*Policy Code:* **3480**

Attendance in school and participation in class are integral parts of academic achievement and the teaching-learning process. Through regular attendance, students develop patterns of behavior essential to professional and personal success in life. Regular attendance by every student is mandatory. The State of North Carolina requires that every child in the State between the ages of 7 (or younger if enrolled) and 16 attend school. Parents and legal guardians are responsible for ensuring that students attend and remain at school daily. In order to be recorded present, a student must be present at least one-half of the school day.

A. ATTENDANCE RECORDS

School officials shall keep accurate records of attendance, including accurate attendance records in each class. Attendance records will be used to enforce the Compulsory Attendance Law of North Carolina.

B. EXCUSED ABSENCES

Following any absence(s), it is required that a written document or e-mail be presented from the parent or guardian stating the reason for the absence. All absences will be coded unexcused in the computer until a written note or e-mail is received from the parent or guardian. **Written documentation must be presented within three school days after the student returns to school; otherwise, the absence(s) will be recorded as unexcused.** In particular situations that may involve court related proceedings, Gaston County social workers are given the authority to review attendance documentation as necessary. Absences will be coded according to the North Carolina Compulsory Attendance Law regulations as printed below. Absences due to extended illnesses may also require a statement from a physician. An absence may be excused for any of the following reasons:

1. personal illness or injury that makes the student physically unable to attend school;
2. isolation ordered by the State Board of Health;
3. death in the immediate family;
4. medical or dental appointment;
5. participation under subpoena as a witness in a court proceeding;
6. a minimum of two days each academic year for observance of an event required or suggested by the religion of the student or the student's parent(s);
7. participation in a valid educational opportunity, such as travel or service as a legislative or Governor's page, with prior approval from the principal;

8. pregnancy and related conditions or parenting, when medically necessary; or
9. visitation with the student's parent or legal guardian, at the discretion of the superintendent or designee, if the parent or legal guardian (a) is an active duty member of the uniformed services as defined by policy 4050, Children of Military Families, and (b) has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat support posting.

In the case of excused absences, short-term out-of-school suspensions, and absences under G.S. 130A-440 (for failure to submit a school health assessment form within 30 days of entering school) the student will be permitted to make up his or her work. (See also policy 4351, Short-Term Suspension.) The teacher will determine when work is to be made up. The student is responsible for finding out what assignments are due and completing them within the specified time period.

C. SCHOOL-RELATED ACTIVITIES

All classroom activities are important and difficult, if not impossible, to replace if missed. Principals shall ensure that classes missed by students due to school-related activities are kept to an absolute minimum. The following school-related activities will not be counted as absences from either class or school:

1. field trips sponsored by the school;
2. job shadows and other work-based learning opportunities, as described in G.S. 115C-47(34a);
3. school-initiated and -scheduled activities;
4. athletic events that require early dismissal from school;
5. Career and Technical Education student organization activities approved in advance by the principal; and
6. in-school suspensions.

Assignments missed for these reasons are eligible for make up by the student. The teacher will determine when work is to be made up. The student is responsible for finding out what assignments are due and completing them within the specified time period.

D. EXCESSIVE ABSENCES

Class attendance and participation are critical elements of the educational process and may be taken into account in assessing academic achievement. Students are expected to be at school on time and to be present at the scheduled starting time for each class.

When a student reaches ten (10) or more cumulative absences, a letter may be sent requiring a doctor's note to excuse future absences. Students with excused absences due to documented chronic health problems are exempt from this policy.

In addition, for students experiencing homelessness (see policy 4175, Homeless Students), school officials must consider issues related to the student's homelessness, such as a change of caregivers or nighttime residence, before taking disciplinary action or imposing other barriers to school attendance based on excessive absences or tardies.

Excessive absences may impact eligibility for participation in interscholastic athletics, extracurricular activities and student organizations. (See policy 3610)

K-8 Elementary and Middle School students:

For K-8 students, only 12 absences, including excused and unexcused absences, are permitted each school year. The principal of each school will review information on students who have exceeded 12 absences and will consider the possibility of retention based on absences.

9-12 High School students:

Each day school is in session for students; classroom teachers will report student attendance for each class period and maintain accurate student attendance records for report cards. At the eleventh absence (excused or unexcused) per semester from a class, students who are passing the class must file for an appeal in order to be eligible to earn credit for the class. The appeal will be requested to the designated official at each high school (appointed by the principal). The appeal may be requested by the student or parent, classroom teacher, advisory teacher, counselor or other staff member. The deadline for an appeal request is the 75th school day of each semester (unless the eleventh absence falls after this day). Each high school principal will appoint an attendance appeal committee(s) as deemed appropriate. Guidelines from the school system will be provided to the principals and these committees. The committee(s) will meet to conduct student attendance appeals during a period between the 76th school day of each semester and the last teacher workday of each semester. In the event the student appeal is granted, the student will receive the final grade earned in the course. Should the appeal be rejected, the student will receive a failing final grade and receive no credit for the course. In order to facilitate acceptable course attendance, the following interventions and communications should be implemented.

- By the third absence in a course where no contact has been received from the parent/guardian, the school official will contact the parent/guardian using telephone, email, letter or automated telephone message. The school official will remind the parent/guardian of the number of absences and the Gaston County Board of Education Policy on high school student attendance.
- After not more than six absences in a course, the parent/guardian will be contacted using telephone, email, letter or automated telephone message. The school official will remind the parent/guardian of the number of absences, the Policy on high school student attendance and specifics regarding the appeal process. After not more than six absences from a course, the classroom teacher will notify the school's Student Services Management Team (SSMT) or Multi-Tiered Student Support Team (MTSS).
- Upon notification from the classroom teacher, the SSMT or MTSS team will evaluate the overall academic and attendance information of the student and if deemed appropriate, consult with the school social worker and/or other support personnel for possible additional interventions, recommendations or consequences for the student/parent/guardian.
- On the tenth absence in a course, the parent/guardian will be contacted by using telephone, email, letter or automated telephone message. The school official will remind the parent/guardian of the number of absences, the Policy on high school student attendance and that an appeal must be initiated upon the eleventh absence from a course if the student is passing the course.
- On the eleventh absence, the classroom teacher or other school personnel, student or parent can give/request the Gaston County School's student attendance appeal request form.

Driver Education and Student Attendance

Students will be allowed to enroll in driver education only if they meet a minimum of 94% attendance in the year (if in middle school) or 94% attendance the semester (if in high school) before enrolling in driver education. Students must have been in attendance 168 days of the 180 day school year (for middle school) or 84 days of the 90 day semester (for high school) in the year or semester before enrollment in driver education with Gaston County Schools (medical exceptions considered).

Dropout Prevention/Driver's License Legislation

North Carolina has legislation reflecting a coordinated statewide effort to motivate and encourage students to complete their high school education. The law provides for the revocation of the student's driving permit or license if the student does not maintain adequate academic progress or drops out of school. Adequate academic progress is defined as passing five (5) subjects under a traditional schedule (6 or 7 period day) or 3 out of 4 classes in a block schedule school.

This law applies to all North Carolina students under the age of 18 who are eligible for a driving permit or license. Previously a student had to present a birth certificate, social security card and Driver Education Completion Certificate to the Department of Motor Vehicles in order to obtain a permit or license. A student is now required to present a Driving Eligibility Certificate, issued by the school and good for 30 days, to the Department of Motor Vehicles to obtain a permit or license.

The Driving Eligibility Certificate will only be issued to students making adequate academic progress. Students who do not meet the academic progress requirements will be reported to the Department of Motor Vehicles and their permit or license will be revoked. There is a provision for a request for a review of the student's situation based on hardship considerations. Students may regain academic eligibility at the end of each semester.

Lose Control, Lose Your License Legislation

Students given an expulsion/suspension for more than 10 (ten) consecutive days for one of the three reasons listed below are subject to having their permit/license suspended for up to one calendar year.

- The possession or sale of an alcoholic beverage or an illegal controlled substance on school property.
- The possession or use on school property of a weapon or firearm that resulted in disciplinary action under G.S. §115C-391(d1) or that could have resulted in that disciplinary action if the conduct had occurred in a public school.
- The physical assault on a teacher or other personnel on school property.

Students who are at least 14 years old or who are rising 8th graders are subject to this law. The law applies to all students, even to those exempted under Dropout Prevention/Driver's License Legislation. Unlike the Dropout Prevention/Driver's License Legislation law that ends when a student turns 18 years old, the "Lose Control" law does not stop at age 18 nor does it stop when the student graduates.

Students who may lose their permit/license under this legislation may be eligible to regain the permit/license after a six-month period by displaying exemplary behavior in an alternative education setting or having successfully completed a school district approved drug or alcohol treatment counseling program.
