The Gaston Gazette and Gaston County Schools are proud to sponsor the Star Teacher-Student Awards to recognize outstanding students and teachers in Gaston County.

A Star Student is selected from each high school to represent the Class of 2018. The Star Students are chosen based on exemplary academic achievement and have the opportunity to honor a teacher who had a significant influence on their lives.

The Star Teachers work diligently every day to shape the future and prepare our students for a global society. They are dedicated educators who go above and beyond the call of duty to make a difference.

CONGRATULATIONS TO OUR STAR TEACHERS AND STUDENTS!
