

K12 Payment Center

A LINQ SOLUTION

Dear Parents,

Great News! Dealing with your children's school fee payments just got a lot easier. You can now pay for **school related fees** all securely **online** from your computer, tablet or smartphone!

You can pay for school related fees like field trips, locks/locker fees, athletic fees, and club/class fees. This further reduces the chances of cash for payments getting lost or stolen and can significantly decrease the chance of COVID-19 spread. Plus, it saves you time from bringing payments into the school! It will also save your **payment history** so you can refer back at any time. You will have access to your child's account 24 hours a day, 7 days a week.

How Do You Get Started? It's simple!

- Go to www.k12paymentcenter.com in your web browser
- First time users click "Sign Up" then select your state and district from the drop-down lists
- Fill in your information to set up the account
- Click "Manage Students" to add your student(s) with their last name and student ID number
- Make a payment to your students' accounts with your credit/debit card or electronic check

When making a school fee payment there is a small convenience fee per transaction (not per child) to cover payment processing.

For more information or questions about using **K12PaymentCenter** please go to www.k12paymentcenter.com or email contactus@k12paymentcenter.com
