

Instructions to Access Encore in Edgenuity

You have been enrolled in an encore course through the program Edgenuity as indicated in your schedule with the course name (Ex: Health and PE Edgenuity). This course is an asynchronous learning option which is self-paced. Students do not have daily access to a teacher but will have access to be supported by a Learning Coach. Learning Coaches will monitor student progress and be available to unlock assignments. The Learning Coach is available to assist students if they need additional support to complete assignments. However, students are expected to work independently most of the time. Students are expected to devote one hour a day to their encore class in order to stay on track and complete by the end of semester.

How to Access Edgenuity

- You can access your Asynchronous Course by going to www.edgenuity.com directly.
- You can also find the Edgenuity login on the Gaston Virtual Academy website under the Middle School tab by selecting “Edgenuity (6-8) Asynchronous”.
- On the Edgenuity login page, click “Student Login”.
- Your Username and Password are listed below
 - Username: GCS & student lunch number (Ex:GCS123456789)
 - Password: Gaston20

Information Regarding Edgenuity

- In the Edgenuity Website, check out the orientation video once logged on.
- For assistance or issues, please log onto the Gaston Virtual Academy webpage and access the [Edgenuity Account Issues](#) under the Middle School drop down.
- Parents can also register to be an observer using the [Edgenuity Account Issues](#).

Getting Help

To contact your Learning Coach, you can email them directly through your Gaston County Schools email account by using the name provided on your schedule or contacting them through Edgenuity.

If you need assistance with your Google Login or NCedCloud, contact your home school or through the Gaston Virtual Academy home page.
