

# Warlick 911

We are pleased to announce our new Call Center will be up and live on October 12th. Its purpose is to support our students and families during their virtual and remote days in order to engage them in academics and have online success. Send an email to the address below with phone number, concern, and student's name and someone will call you during our on call hours.

If you need assistance with:

- Canvas - How to navigate
- Understanding assignments/content
- Getting in touch with your teachers
- Family Needs
- Or Any Other Issue, please contact us!
