Frequently Asked Questions

1. What is the purpose of the Collegiate Preparatory Academy?

The Collegiate Preparatory Academy allows students to develop, practice, and sharpen their critical and creative thinking skills. A rigorous academic framework will prepare students for success at the College and University level, while also providing a solid foundation through two capstone courses: AP Seminar and AP Research.

2. What are the start and stop times of the school day?

8:00am-3:00pm

3. What is the earliest I can drop my child off and the latest I can pick up my child?

7:00 am Drop Off and 4:00 pm Pick Up

4. Will my student be able to be in the running for Valedictorian/Salutatorian if they commit to yearlong courses like the AP Capstone Seminar and AP Research?

Yes, if your student chooses to take additional AP course options as elective credits.

5. Will my student be able to take enough AP credit courses to stay in the top of their class?

Yes, if your student chooses appropriate leveled courses (honors or AP) and chooses rigorous elective courses throughout the pathway.

6. Will my student be able to take AP courses in the 9th Grade?

Your student will have opportunities to take challenging courses at an honors level that will satisfy many upper-level course prerequisites in preparation for success in the pathway AP course structure. College Board recommends that students begin taking select AP courses in their sophomore year. Many Colleges and Universities will not accept AP credit if taken prior to the sophomore year in High School.
