iAccelerate Academy at Ashbrook High Frequently Asked Questions

4. Who can apply to the *iAccelerate Academy* and how are students selected?

Incoming ninth grade students that meet entrance requirements may apply. (See #3)

5. What are the requirements for continued enrollment in the *iAccelerate Academy* ?

Parent/legal guardian must maintain residency in Gaston County. The student must be in good standing including appropriate attendance, behavior, and academics. The student must remain in good standing with Gaston College.

6. Why can high school students take college classes?

Success in today's global economy may require a two-or four-year degree. Through Career & College Promise (CCP), qualified high-school-age students in North Carolina have the opportunity to pursue this option - tuition free - while they are in high school, allowing them to get a jumpstart on their college preparation.

7. Which pathway will the *Academy* students follow?

Students in the *iAccelerate Academy* will follow the College Transfer Pathway. The College Transfer Pathway provides tuition-free course credits toward the Associate in Arts Degree or Associate in Science Degree that will transfer seamlessly to any public college or university or participating private college or university.

8. Why is it important for a student to complete an Associate Degree rather than just complete a college pathway?

Students who complete an Associate Degree will satisfy all of the general education requirements for all sixteen of the North Carolina Public Universities, over thirty North Carolina Independent Institutions, and many out-of-state colleges or universities. This means all of the credits will transfer and a student will typically only have to complete two more years to earn a Bachelor Degree. Students who only complete a college pathway are not guaranteed that all general education requirements will be met and will potentially have to spend more than two years to earn a Bachelor Degree.

9. Will my student be allowed to participate in school activities such as sports, etc.?

Students will be exposed to a full high school experience.
