If a student's behavior does not improve with the teacher's efforts, he/she will be referred to the administration that will follow Lingerfeldt's Discipline Steps and/or the disciplinary measures outlined in the GCS Student Code of Conduct.

Although we expect all students to comply with these responsibilities, it is necessary to include a list of behaviors, which are unacceptable at Lingerfeldt Elementary School during the school day, at school functions, or while on a school sponsored trip. **The list is not intended to be all-inclusive.** Administration has the right to add to this list of unacceptable behaviors to ensure the safety of all students and faculty. ## **TRANSFERS/ENROLLMENT**

### **Enrollment**

Students enrolled on an Approved Transfer to Lingerfeldt must continue to meet the transfer requirements established by Gaston County Schools which is to remain in good standing academically, behaviorally and in the area of attendance. Any student not meeting any one of these requirements will require a parent conference with administration to discuss a plan of action.

### **Transfer Requirement Guidelines:**

Students must also be picked up by 3:30 each day. Students with excessive tardies will be notified about watch status after 8 unexcused tardies and may be transitioned back to their home school after 12 unexcused tardies.

**Behavior:** Students reaching the behavior tier equivalent to office referral will get a verbal warning about the type of behavior and replacement strategies to be used as well as a parent phone call. The 3rd office referral will result in a day of OSS and student will be transitioned back to their home school.

**Academic:** Students must participate in the academic program of our school. Students who refuse to collaborate, complete assignments or are not making academic growth will be contacted immediately by the homeroom teacher. Repeated violations will result in administration conference with parents, plan created and watch status. Transition back to home school will result if no improvement is made or student does not maintain academic progress needed to be promoted to the next grade level.

## **ATTENDANCE POLICIES**

### **COMPULSORY ATTENDANCE - STUDENTS 7-16 YEARS OF AGE**

(Please see policy code #3480 for complete policy)

- Failure to comply with the Attendance Law by having excessive absences may result in referral to truancy mediation, district court (parent) or juvenile court (child). If a parent, guardian or custodian is found guilty of violating the Compulsory Attendance Law, they may be ordered by the Court to do community service, fined or be incarcerated.
- If a student has accumulated three (3) unexcused absences in a school year, the law requires the principal or designee to notify the parent/guardian of the student's excessive absences from school.
- The following reasons can be accepted by school principals as valid excuses for school absences:
  - **Illness or Injury-** An absence is excused when the absence results from illness or injury which prevents the child from being physically able to attend school.
  - **Death In The Immediate Family-** An absence is excused when it results from the death of a member of the immediate family of the child. For purposes of this regulation, the immediate family of a child includes, but is not necessarily limited to, grandparents, parents, brothers and sisters. **Medical or Dental Appointments-** An absence is excused when it results from a medical or dental appointment of a child, and approval of the appropriate school official is gained prior to the absence, except in the case of an emergency.
  - **Religious Observances-** A student may be absent for a minimum of two days each academic year for observance of an event required or suggested by the religion of the student or the student's parent(s).
  - **Educational Opportunity-** An absence may be excused when it is demonstrated that the purpose of the absence is to take advantage of a valid educational opportunity. Approval for such an absence must be gained prior to the

absence. The form entitled "Request for Excused Absence for Educational Opportunity" may be obtained from individual school.

- o **Quarantine-** An absence is excused when isolation of the child is ordered by the local health officer or by the State Board of Health.

- o Students with a valid health plan (Issued by the school nurse) or accommodation plan (504) may have absences/tardies disregarded for days missed as a result of illness. It is the responsibility of students and parents to provide necessary documentation.
- **Prior to six unexcused absences**, the principal shall notify the parent, guardian or custodian by mail that he/she may be in violation of the Compulsory Attendance Law and may be prosecuted if the absences cannot be justified under the established attendance policy of the state and local board of education.
- A copy of the notice of absences will be sent to the school social worker who will contact the student and family in an effort to assist them in solving the attendance problem.
- **After a student has accumulated ten (10) unexcused absences in a school year**, the principal/principal's designee shall review any report or investigation concerning the unexcused absence and shall confer with the student and his/her parent/guardian/custodian to determine whether the parent/guardian/custodian has received the required notification and made a good faith effort to comply with the Compulsory Attendance Law. If the principal/principal's designee determines the parent/guardian/custodian has not made a good faith effort to comply with the law, the principal/principal's designee shall notify the school social worker, who shall notify the district attorney unless the case has already been initiated in the courts. Services of the social worker are available to assist in the initiation of court proceedings. Written documentation must be presented within three (3) school days after the student returns to school; otherwise, the absence(s) will be recorded as unexcused. After the tenth absence, a student may be required to furnish doctor notes to excuse future absences. Absences will be coded according to North Carolina State Regulations as printed in the Compulsory Attendance section above.

#### **Make-up Work**

#### **Possible Upcoming Policy Revisions**

Therefore, a standing committee of parents, students, teachers, administrators and support staff will periodically review student attendance data, trends and formulate suggested revisions to the student attendance policy of the school system. All policy suggestions should be completed and sent to the Superintendent for consideration by the end of February of each year
