

Gaston County Schools Chromebook Agreement

The mission of the **Robinson Elementary School** 1:1 initiative is to ensure that **Robinson Elementary School** students have consistent and equitable access to the digital tools and resources that will allow them to be effective and responsible digital-age citizens. To reach this goal, each student will be assigned a specific Chromebook, that will be used for their tenure at **Robinson**. This Chromebook may be used at school and at home to expand their learning opportunities beyond the walls of **Robinson Elementary School** as well as to create and design evidences of their individual learning.

Costs:

- There is no cost to receive the device.
- Students are responsible for the cost of a lost or missing Chromebook, charger, or case, and for damage beyond normal use. Repairs will be on a case by case basis and could range up to full replacement of the item.
- Lost, stolen or questionable damage will be reviewed by the administration on a case-by-case basis to determine fees.

Be Responsible:

- No stickers or writing allowed on the device or accessories which might accompany the Chromebook unless given permission by the Principal.
- Follow all procedures when transporting the device.
- Students must take measures to protect the device from damage or theft.
- At no time shall the device be used for unlawful or inappropriate activities.
- Students are not allowed to let others use or be in possession of their assigned device.

Be Respectful:

- Students must follow the Gaston County Schools Technology Responsible Use Policy (3230/7370) at all times while using district-issued devices. The current policy can be found online at: <https://boardpolicyonline.com/?b=gaston&s=153124> or may be obtained at any district school.
- Violators of the Technology Responsible Use Policy or items stated in this document will be addressed by the school administration to determine the proper course of action.
- When logging in with a GCS account and/or using a GCS device, students will be filtered according to CIPA and COPPA regulations. Additionally, records and activity may be monitored and are subject to investigation by authorized district personnel.

Liability

The intent of this program is for **Robinson Elementary School** students' educational use only. Should another user violate this intent, Gaston County Schools will not be held liable for any issues arising as a result. Additionally, Gaston County Schools will not be held liable for any issues arising from non-compliance of the district's Technology Responsible Use Agreement.

		I understand that I am completely responsible for the device and its accessories while it is checked out to me.
		I understand that if my Chromebook is damaged, I must bring it to the attention of a teacher or administrator for repair as soon as possible. Student may be responsible for reimbursing the district for the cost of repair or replacement in the event of damage or negligence.
		I agree to transport the Chromebook with care.
		I have read and understand the GCS Technology Responsible Use Policy. This is signed by every student when they log on to a GCS device for the first time each school year.
		I understand that inappropriate and irresponsible use and conduct while using the device and/or other technology resources and/or school network may result in disciplinary action.
		I understand I have the privilege to take my Chromebook home. If I choose to do this, I agree to bring it back to school the next day, fully charged. If I choose to return my Chromebook to my classroom instead of taking it home, I will return it to the proper location in the Chromebook cart and connect it to the charger at the end of the day. I also understand there will be times I will not be allowed to take my device home (E.g. extended breaks, state testing periods, summer, etc.) and I will comply with the directions from my school staff. I understand that this privilege can be revoked at any time.
		In accordance with the Board's goals and visions for technology, students may require accounts in third party systems for school related projects designed to assist students in mastering effective and proper online communications or to meet other educational goals. By signing below, you are giving consent for school personnel to manage third party accounts.

As a student/parent/legal guardian, I understand these rules and agree to fully comply with them.
